ASSESSMENT INFORMATION
WORKSHOP**

Drop-in anytime during 1:30 p.m. and 8:00 p.m.

Wednesday, June 29th

**1st Floor Study Session Room
City Hall
68-700 Avenida Lalo Guerrero
Cathedral City, California**

Come to this workshop if you have questions about including Desert Water Agency (DWA) Sewer Connection fees in your annual Cove Improvement District assessment. You can also drop off the paperwork that was sent to you in the mail or pick up a form to fill out for including the fee in your assessment. The City's Cove Improvement District Project team will be available to answer questions during the workshop.

There will also be City staff on-hand to provide information about the City's Financial Assistance Programs through the Housing Department.
